**How to Order**

You may call your Poochie team at our office between regularly-scheduled business hours as noted above or send us your order any time of day via fax (419-821-6363) or email (admin@poochie-pets.net).

**Minimum Order Policy**

Mix and match any product category to achieve our Minimum Order Policy of \$100.

**Billing Terms**

All first-time accounts must prepay using VISA, MasterCard, American Express or Discover. Upon Poochie-Pets, LLC's approval, net 30 days terms may be established. A 1.5% late payment fee will be billed to all delinquent accounts and returned checks are subject to a \$25 service charge. International orders are subject to currency conversion bank service fees. All of our prices are in US dollars.

**Pricing and Substitution**

We reserve the right to update pricing. A 30-day notice on all price increases will be posted on the Wholesale page of Poochie-pets.net. We will honor a 30-day grace period on orders that indicate the price prior to the effective increase. Closest-match substitutions on out-of-stock patterns will be made when applicable. Shipping costs are billed separately.

**Sample Policy**

Samples are provided upon request at wholesale prices. If a subsequent order is placed, a credit will be issued to offset the cost of the sample.

**Online Auction Environment**

Please contact us for approval prior to selling any of our products if you sell in an on-line auction environment, i.e. eBay®.

**Shipping**

Product pricing does not include shipping charges. Orders are processed within ten business days of receipt of order. Unless otherwise requested, domestic orders are shipped via UPS Ground and international orders are shipped via USPS or freight services, whichever is more economical. Shipping rates are determined and charged at shipment time. Note: International orders are exempt from all promotions involving a reduction in shipping rates.

**Returns Authorization Policy**

Unless otherwise waived, a 25% restocking fee will apply to the value of the product on all delivery refusals, merchandise returned without prior authorization, or merchandise returned after 90-days from date of purchase. Should a customer return our product to you due to quality issues, please extend your store's return policy to them and contact us. Upon authorization, return the product to us for a credit or replacement product.

**Satisfaction Guarantee**

Poochie-Pets stands behind our complete line of dog products. We take pride in attention to detail, producing a quality line of products that are safe for family and pooch.

**Business Relations**

We value and appreciate all of the business relations we have established over the years – from our loyal customers and representatives to the manufacturers and designers who develop quality materials specifically for us. We strongly feel that the success of a company is based on customer relations, and we value yours!
